Residential Estate

0 DUNKIRK ESTATE

Whilst immersed in 52 acres of forest land, only 46% of the land has been developed into this boutique estate allowing a large forested area to be preserved within the estate housing a small resident duiker population as well as much birdlife. Today Dunkirk Estate encompasses a compact community of 167 free standing homes and this is 96% of the envisaged total of 174 homes. Similarly, there are 153 apartments all completed, with 6 still under construction, in a strikingly modern contemporary style. Residents of this estate enjoy a clubhouse with an award-winning...
