ELEVATED SITE WITH SEA VIEWS IN ZULULAMI LUXURY COASTAL ESTATE

One of the last of the best available sites! This gently sloping site, situated at the end of a quiet cul de sac is generously sized for the construction of a substantially sized home, offering the luxury of uninterrupted sea views. This site is also conveniently located within close walking distance to the resident's clubhouse and outdoor sporting facilities. With almost all Phase 1 sites sold, there is just a small window of opportunity for discerning buyers to procure this extraordinary property in this already established Estate.
